

Dominican Republic Men's Trip

April 17-23, 2010

"And whatever you do, whether in word or deed, do it all in the name of the Lord Jesus, giving thanks to God the Father through Him." Colossians 3:17

ABOUT

Mission Emanuel is an ongoing outreach project, of The Gathering/USA, to the people of the "barrios" (neighborhoods) of Nazaret and Cielo, located in the city of Santo Domingo.

This mission has brought together short-term missionaries that are dedicated to improving the lives of the Dominican people by providing health care, education, better living conditions, and spreading the Gospel of Jesus Christ.

These missionaries, working for and with Dominicans, have constructed a church, two schools (preschool & 1st - 8th grade), two medical clinics, a baseball field, a dental clinic and homes for needy families. Currently, over 500 children attend the schools and many of them have American families "sponsor" them for \$35 a month.

PROJECT DETAILS

The primary projects this year will be to construct or repair many of the affected homes of the citizens of Cielo that were damaged by the floods this past year. Continued construction on the Medical center on the property of Mission Emanuel in Cielo.

SPIRITUAL DEVELOPMENT

Our goal is to allow the Spirit of God to have a "clear channel" to touch your heart in new ways through your experience in Santo Domingo. There will be morning daily devotions, including a time of individual quiet reflection. Each evening, we will have a time of sharing, prayer and praise.
